During evaluation and comparison of bids, the purchaser may, at his discretion, ask the bidder for clarifications on the bid. The request for clarification shall be given in writing by registered/speed post, asking the tenderer to respond by a specified date, and also mentioning therein that, if the tenderer does not comply or respond by the date, his tender will be liable to be rejected. Depending on the outcome, such tenders are to be ignored or considered further. No change in prices or substance of the bid shall be sought, offer ed or permitted. No post-bid clarification at the initiative of the bidder shall be entertained. The shortfall information/documents should be sought only in case of historical doc uments which pre-existed at the time of the tender opening and which have not undergone change since then. These should be called only on basis of the recommendations of t he TC. (Example: if the Permanent Account Number, registration with sales tax/ VAT has been asked to be submitted and the tenderer has not provided them, these documents may be asked for with a target date as above). So far as the submission of documents is concerned with regard to qualification criteria, after submission of the tendere, only relate d shortfall documents should be asked for and considered. For example, if the bidder has submitted a supply order without its completion/performance certificate, the certificat e can be asked for and considered. However, no new supply order should be asked for so as to qualify the bidder.

9. Evaluation of Techno-commercial Bid : In evaluation of the techno-commercial bid, conformity of the eligibility/qualification, technical and commercial conditions of the offered g oods to those in the bid document is ascertained. Additional factors, if any, incorporated in the tender documents may also be considered in the manner indicated therein. Evalu ation has to be based only on the conditions included in the tender document and any other condition should not form the basis of this evaluation

An offer submitted in vague/ambiguous financial terms and the like, shall be termed as non-responsive and shall summarily be rejected.

The Bidder shall be responsible for properly uploading the relevant documents in the e-Tender portal in the specific location and the Tender Inviting Authority shall not be held liable for errors or mistakes done while uploading the on-line Bid

Evaluation of eligibility/ qualification Criteria: Procuring Entity will determine, to its satisfaction, whether the tenderers are eligible, qualified and capable in all respects to perform the contract satisfactorily. Tenders that do not meet the required eligibility/qualification criteria prescribed will be treated as unresponsive and not considered further. This dete rmination will, inter-alia, take into account the tenderer's financial, technical and production capabilities for satisfying all of Procuring Entity's requirements as incorporated in th e tender document. Such determination will be based upon scrutiny and examination of all relevant data and details submitted by the tenderer in its/his tender as well as such other allied information as deemed appropriate by Procuring Entity.

Evaluation of Technical Suitability: The description, specifications, drawings and other technical terms and conditions are examined by TC in general and a technical member of t he TC in particular. Nobody outside the TC should be allowed to determine this evaluation. The tender document should clearly state whether alternative offers/makes/models w ould be considered or not and, in the absence of an express statement to the effect, these should not be allowed. An important document is the exceptions/deviation form submit tted by the tenderer. It is important to judge whether an exception/deviation is minor or major. Minor exceptions/deviations may be waived provided they do not constitute any material deviation and do not have significant financial impact and, also, would not prejudice or affect the ranking order of the price bid. Exceptions/deviations should not grant t he tenderer any undue advantage vis- à-vis other tenders and Procuring Entity

In case the bidder on whom the purchase order has been placed, fails to make supplies within the delivery schedule and the purchaser has to resort risk purchase, the purchase r may recover from the bidder the difference between the cost calculated on the basis of risk purchase price and that calculated on the basis of rates quoted by bidder. The amou nt will be recovered from any of his subsequent/pending bills or Security Deposit & black listing of the firm may be initiated depending upon the circumstances of the default/m erit of the case. All firms need to submit notarized affidavit on three hundred rupees non-judicial stamp paper for Non- Black listing from any Govt/ semi Government organization addressed to District Election Office, Surendranagar, Gujarat.

All the copies of the tender shall be duly signed at the appropriate places as indicated in the TE documents and all other pages of the tender including printed literature, if any, s hall be initialled by the same person(s) signing the tender. The tender shall not contain any erasure or overwriting, except as necessary to correct any error made by the tendere r and, if there is any such correction; the same shall be initialled by the person(s) signing the tender.

46. It is required by all concerned to observe the highest standard of ethics during the procurement and execution of such contracts. The purchaser .(b) will reject a proposal for aw ard if it determines that the Tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question; (c) will declare a firm inel igible, either indefinitely or for a stated period of time, to be awarded a contract by the purchaser if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing the contract. Seller needs to undertake for non-conviction.
